

Social Media Disclosure

Spectrum Financial, Inc. (SFI) maintains a social media presence on several social media sites/pages/feeds. However, SFI is not affiliated with these sites/pages/feeds and does not endorse, either expressly or implicitly, the content posed by any third party or users of the social media sites/pages/feeds. Please note that opinions or expressions posed by followers or third parties on SFI's sites/pages/feeds do not represent the views of SFI or its management. SFI does not control or endorse any content that the social media site posts to SFI's site/pages/feeds.

SFI's sites/pages/feeds may include links to articles, opinions, or information contained on a third party website. SFI is not responsible for and makes no warranties, express or implied, for the accuracy of any content or use of a third party website and assumes no liability for any errors, inaccuracies, or omissions for third party website content. Placement of a link to another website on SFI's social media sites/pages/feeds does not mean that SFI guarantees the authenticity of information on that site. Only follow links after confirming that the security and authenticity of links and linked sites are valid.

Please do not disclose any financial or personal information on our or any social media site. SFI will never ask for your account information, passwords, social security number, or any other personally identifiable information via a social media page or site. SFI does not guarantee and is not responsible for the security or privacy practices of common social media sites such as LinkedIn, Twitter, Instagram, and other third party sites. Carefully review privacy and security policies prior to posting any content to social media sites.

The content on SFI's social media sites/pages/feeds is the property of SFI. Users or followers of the sites are restricted to accessing the sites for personal use only. Outside of reposting information, the publishing, selling, or distributing SFI content is prohibited without SFI prior written consent. It is within SFI's right and sole discretion to remove any objectionable or inappropriate content and users without notice.

No part of SFI's social media content is intended to serve as a recommendation or testimonial for any investment product, service, or strategy. Additionally, the information posted is not to be construed as solicitation to offer or sell any security.
